Incoming Wire Transfer Information

Dear Customer,

Below is the bank routing and account information for Palm Springs Rental Agency, Inc. Vacation Rental Management Trust Account. This account information is only for incoming wires and only for our vacation rental department.

Banks deduct fees prior to crediting our account with your payment. Please insure that you wire enough funds to cover bank fees and foreign exchange rates. Underpayments will be charged a \$25.00 accounting fee so it is better to send an overpayment than an underpayment. Overpayments are applied to your refundable deposit.

Please instruct your banking institution to use your last name and your reservation number in the “from” section so we can properly apply your payment.
